

I am very upset that you want to displace our favorite station, K-LOVE, by an LPFM broadcaster. K-LOVE is a wonderful source of encouragement in an uncertain world. People NEED this type of uplifting radio on the air. It is very much of public interest to the community who believe in the power of the message that K-LOVE provides---of God's love and power in their lives. We live in a rural area and being able to have K-LOVE in our market is VERY important to the Christians in our area. We would VERY MUCH appreciate you considering NOT letting K-LOVE be taken off of the air. We believe in it so much that we personally help finance the program each month. We beg you to take our comments into consideration. Thank you, Michelle Kiger
